Councilman Wyatt needs our help coordinating a dog park. They are working on a Sports park...baseball, soccer, etc.

Questions around the airport noise meeting at the GICC. 300 people attended. Only 1 person from the airport was there. 1 Legislator. There was a significant community turnout but little turnout from the airport/Legislation. The city is coordinating a letter addressing this issue. A person has been hired "Airport Affairs" – to act as the liaison between the airport and city.

Discussion around airport noise and policies
